Required Report - public distribution

Date: 7/30/2004

GAIN Report Number: IT4017

Italy

Food and Agricultural Import Regulations and Standards

Country Report

2005

Approved by:

Ann Murphy
U.S. Embassy

Prepared by:

Ann Murphy

Report Highlights:

No changes. Report contains food and agricultural import regulations for Italy. This report supplements GAIN Report E23195 on EU labeling requirements, trade regulations customs and standards. Policies and regulations are flexible, and are subject to change. Exporters are encouraged to work with Italian importers to ensure streamlining of labeling, distribution and import approval.

Includes PSD Changes: No
Includes Trade Matrix: No
